

TRADEMARK CAUTION NOTICE

The **National Research Development Corporation (NRDC)**, established in 1953 operates as an enterprise under the Department of Industrial and Scientific Research within the Ministry of Science and Technology, Government of India. The corporation functions in accordance with the provision of and is duly registered under the companies Act, 2013.

Over the past six decades, NRDC has actively engaged with the scientific and industrial communities both in India and internationally, fostering robust connections with research institutions, academia, and industry. The organization has developed a comprehensive network and formalized agreements for the commercialization of technologies originating from various laboratories, earning recognition as a significant repository of diverse technologies.

Headquartered in New Delhi, NRDC extends its presence through outreach centers in Visakhapatnam, Pune, and Guwahati. The corporation has successfully registered its trademark, encompassing both the logo and work mark, under the name of NRDC for classes 35 and 42. These trademarks are consistently utilized in connection with NRDC's activities in India and abroad.

Note: Some of the “trademark/ marks” includes but not limited to the following:
